Le Monde, Libération

Projects

Zines of the Zone / Co-founder and curator, since 2012

ZINES OF THE ZONE is a nomadic archive of self-published books & zines photo-related.

This project pops up in different locations in order to meet local artists, organize book-exhibitions and concerts.

The idea is to share, more largely, the practice of DIY through different installations, meetings and events.

Exhibition and talks are regularly organized

www.zinesofthezone.net

Querelle / Co-founder, 2020-2021

Concert organization in Brest

<https://www.facebook.com/querelle.collective>

Other curation

Depuis la terre ferme / Curator, from june to september 2020

Maison de la Fontaine, Local de la Pointe, Jardin des Explorateurs, Auditorium des Capucins

Curation of three exhibitions and a cine-concert, on an invitation from Brest cultural department.

Meetings around self-publishing / march 2018

Exhibitions and talks. Arles se livre festival, Espace Van Gogh, Arles

On an invitation from Voies Off organization.

Fundamentos de marketing / juin 2017
